Getting Here

Harewood is an independent charitable educational trust set up to maintain and develop Harewood, its collections and grounds, for the public benefit.
Registered Charity No. 517753

Group Visits

Harewood is one of Yorkshire's most loved country houses. Nestled in "Capability" Brown landscape, the Georgian building is elegantly furnished with beautiful Chippendale furniture, boasts silk covered walls and original Robert Adam ceilings.

With over 100 acres of gardens, every season provides a natural spectacle for visitors to explore. From the atmospheric Himalayan Garden in spring, to the rich border planting in late summer, there is something to enjoy all year round.

Whether your group wants to visit the House and its historic collections, see the latest art exhibitions or enjoy striking flora and fauna as Red Kites glide overhead, Harewood is guaranteed to provide a day of discovery with a warm welcome.

Introductory House Tour (1 hour)

Discover the magnificent State Floor with your very own guide. Learn about key moments in the history of the house and family.

Full House Tour (2 hours)

Our experienced guides will provide your group with an in-depth tour of the State Floor and Below Stairs. Learn about the collections and how these rare treasures tell Harewood's story. Discover secret doors and passages as you go behind the scenes to parts of the House rarely seen by visitors.

Tailor Made Tour (2 hours+)

Experience Harewood with the ultimate private tour. Tailor made for your group, tours can focus on a subject of your choice. See inside some of Thomas Chippendale's greatest masterpieces, explore the rich collection of watercolours or discover the Renaissance paintings collected by the 6th Earl and Princess Mary. Please contact us for further information and to discuss your tailor made visit.

Introductory Garden Tour (1 hour)

Enjoy an overview of Harewood's gardening history and current planting schemes, with an informative tour from our expert gardeners on the elegant Terraces.

Bird Garden Tour (1 hour)

Walk through the Bird Garden with our keepers and discover some of our most popular residents including owls, parrots, penguins and flamingos. Learn about the conservation projects we undertake and find out how you can get involved.

Eating & Shopping

With delicious, locally sourced food, why not visit our Courtyard Café or have a cream tea on the Terrace with views over the "Capability" Brown landscape? After lunch, enjoy a spot of retail therapy in our gift shop. Don't forget to ask our staff about our group catering menus.
