ABOUT HAREWOOD

Harewood House Trust is an educational charity which engages nearly 300,000 visitors every year through our three outstanding collections – art, garden and living – with a 30-year commitment to contemporary programming that links them. It is one of England’s finest 18th century country houses, with a magnificent collection of fine and decorative arts; an accredited museum, with a nationally designated collection, it is also the family seat of the Earl and Countess of Harewood.

As an educational charitable trust, Harewood’s key objectives are:
- to preserve for the benefit of the public the House, Gardens and Collections
- to promote the study and appreciation of the arts and sciences
- to provide facilities for recreation.

Alongside the care, conservation and interpretation of the core collection, Harewood runs a series of innovative exhibitions of contemporary as well as historic art. The Trust also has a commercial arm that manages its trading operation including major outdoor events, conferences, corporate functions, fine dining, cafés and other retail and food outlets throughout the site.

In 2021, Harewood celebrated 250 years since the House was completed. The Trust has great ambitions for Harewood's future, as well as celebrating its fascinating past, including working on a masterplan to ensure Harewood’s conservation, its longevity and its relevance to audiences today. The Masterplan encompasses several capital projects to grow our audiences, generate new income and provide an excellent visitor experience. It includes development of a new Visitor Centre and car park, restoration of the Walled Garden, and conversion of a listed building back into a family and creative space, and new play.
